June 2008

Dear **7th Grade** Students and Families:

Congratulations on a successful year! You all rose to the challenges of room swapping, multiple teachers, no desk storage, lockers, ... and you helped each other along the way. I'm very proud of you, and I look forward to seeing you grow and mature as 7th graders! As you know, we'll spend another year together at the end of the hall next year. Here's a list of what you'll need, in order to start off another successful school year.

For our homeroom: 3 packs of tissues, 1 roll of paper towels, a small package of construction paper, a roll of any kind of tape, a package of crayons to share, a package of markers or Sharpies to share

Religion: A notebook and a folder

Math and Science:

-  A notebook for each subject...you will probably use 3-5 of them throughout the year, so buy some extra when they're on sale.
-  \$5 for the Scholastic Science magazine...please make your check payable to St. Rose of Lima School
-  A compass and protractor...please write your name on these. I will collect them until we need them.
-  A calculator...these are mandatory. You must have one every day for problem-solving.
-  A package or notebook of graph paper. I will also collect this until we need them.

In a supplies box or zipped-up holder: Blue or black pens, pencils, red correcting pen, small ruler, correcting tape (not the fluid), calculator, highlighter. Please make sure that the container is large enough to accommodate all your "stuff." Try not to overstuff the container...leave extras at home, and bring them in when you need them.

Spanish: A notebook and a Spanish-English dictionary

Art and Computer: Supply lists are attached.

Reading: You will receive this information from Mrs. Streeter.

English and Social Studies: A notebook for each

Three folders: “Stuff to Keep,” “Stuff That I Don’t Need,” looseleaf (Buy some extra looseleaf to keep at home until you need it, while it’s on sale!)

Seven book covers: Please bring them to school, and we will cover the books together. The book sox are very easy to use.

You will again receive an agenda and correspondence folder from the school.

Please write your name (and subject where appropriate) on everything, preferably with a Sharpie, which I know you love!

I hope you have a fun, safe, and relaxing summer. Work hard on your Reading assignments and Math packet! Remember that parts of the packet will be graded. Show your work for each problem...attach additional pages if you don’t have enough room. Don’t hesitate to e-mail me if you have questions or concerns.

I look forward to working with you next year in the 7th Grade!

Sincerely,

Mrs. Davenport
