June 2008

Dear **8th Grade** Students and Families:

Congratulations on a successful year! I enjoyed teaching you Math and Science this year, and I look forward to a lot more learning and exploring next year!

When we return to school in August, please have the following supplies with you for Math and Science classes:

-  Plenty of pencils, pens, and a red pen
-  A notebook for each subject...you will probably use 3-5 of them throughout the year, so buy some extra when they're on sale.
-  \$5 for the Scholastic Science magazine...please make your check payable to St. Rose of Lima School
-  A compass and protractor...please write your name on these. I will collect them until we need them.
-  A calculator...these are mandatory. You must have one every day for problem-solving.
-  A package or notebook of graph paper. I will also collect this until we need them.
-  A package of drinking straws and a roll of any kind of tape

Please complete your Math packets carefully. Parts of it will be graded. Show your work for each problem...attach additional pages if you don't have enough room. Don't hesitate to e-mail me if you have questions or concerns.

I hope you have a fun, safe, and relaxing summer. I look forward to working with you next year in the 8th Grade!

Sincerely,

Mrs. Davenport
