

SCRIP

Now that we've finished the first month of school and everyone is well settled into their routines, we have time to think about ways to support our school through volunteer opportunities and fundraisers. One of the easiest fundraisers is our SCRIP program.

SCRIP is a wonderful fundraiser because families don't need to sell anything. Simply using SCRIP to do your weekly grocery shopping earns money for the school and a credit toward your tuition for the following school year. You may purchase SCRIP just for yourselves, or may ask friends and family to support SCRIP.

Our goal this year is 100% participation! To that end, we will have monthly flyers with tips for using SCRIP, weekly prize drawings, and a special prize for the class with the highest level of participation. Please help us achieve our goal!

October prize drawings:

The names of each family purchasing SCRIP will be entered into a weekly drawing for a choice of a free ice cream or prize for your child!

SCRIP TIP:

Reduce impulse purchases (yours or the children's) by sticking within the balance on your grocery gift card when you shop!

SCRIP POEM (by Debby G. of Glastonbury CT)

Scrip is cool! Scrip is great!
Maybe I exaggerate?
But it's easy, and it's free
Please consider joining me.
The school earns money while you shop
You don't buy stuff you don't want.
Order your scrip cards, don't delay
Your SCRIP cards are ready today!
